MABAS Division 106 Card Numbering Recommendation

Each Community is assigned an identifying number:

11- Big Bend	21- City of Brookfield
12- Vernon	22- Town of Brookfield
13- New Berlin	23- Butler
14- Tess Corners	24- Elm Grove
15- City of Waukesha	25- Lannon
16- Town of Waukesha	26- Lisbon
17- Waukesha County Emergency Government	27- Menomonee Falls
	28- Pewaukee
	29- Sussex

32- Dousman	42- N/A
33- Eagle	43- Hartland
34- Mukwonago	44- Merton
35- North Prairie	45- Lake Country
36- Summit	46- North Lake
37- Wales/ Genesee	47- Oconomowoc
	48- Okauchee
	49- Stone Bank

The type of card will fall into one of 9 categories and the final number of the card indicates the category:

- 1 = Structure fire/hydranted
- 2 = Structure fire/non-hydranted
- 3 = Life Safety or EMS
- 4 = Brush fire
- 5 = Water/Ice related
- 6 = Hazmat
- 7 = Tech rescue
- 8 = Target Hazard
- 9 = Disaster

Examples are:

- 34-01 would indicate Mukwonago Structure fire/hydranted
- 12-03 would indicate Vernon/Life Safety EMS
- 49-04 would indicate Stone Bank/Brush fire

Numbers can be inserted before the final number to identify areas or specialties.

Examples are:

- If City of Brookfield has 4 different fire areas, a structure fire in area 1 would be 21-11. If that same fire was non-hydranted, the number would be 21-12
- An example of a specialty might be tech rescue either rope rescue or confined space. If the community is Tess Corners, the tech rescue ropes might be 14-17 and the card for confined space would be 14-27.
